2.2. If a student designated by the Customer (instead of the Customer), cancels or changes the dates of a Course/Programme or other Training Service, that designated student is deemed to be authorized to represent the Customer.

2.3. MXNS Expert Partner België has the right to (a) terminate the Contract or any Training Services provided for in a Quotation, (b) cancel any scheduled Course/Programme, (c) reject new applications for a current Course/Programme, or (d) refuse the attendance by a Customer or a (replacement) student designated by the Customer without stating the reasons. In any such case, Customer and enrolled students, as applicable, will receive notice, and the Customer has a right to a refund of the full sum paid to MXNS Expert Partner België in connection with the affected Services. Such a cancellation does not signify a failure in the fulfillment of the Contract and does not create any obligation to pay compensation for damages. If and insofar as it is decided in a court of competent jurisdiction that MXNS Expert Partner België has failed in the fulfillment of the Contract by canceling a Course/Programme or other Training Service, the damages arising from any such decision shall be limited to the refund of the sum paid by the Customer to MXNS Expert Partner België for the canceled Course/Programme or other Training Service.

3. Effect of Cancellation/Postponement

3.1. If the Customer cancels or changes the date on which a scheduled Course/Programme is to be held, MXNS Expert Partner België may charge, and the Customer shall be obligated to pay, the following fees plus any expenses incurred by MXNS Expert Partner België as of the cancellation or change date:

- (i) If the Customer cancels the Course/Programme or changes the dates up to 4 weeks before the Course/Programme is to start, the Customer is obliged to pay 10% of the agreed Contract price for administrative costs (with a maximum limit of EUR 200.00 not including VAT, for each day the Course/Programme was canceled or postponed);
- (ii) If the Customer cancels the Course/Programme or changes the dates between 4 and 2 weeks before the Course/Programme is to start, the Customer is obliged to pay 50% of the agreed Contract price; and
- (iii) If the Customer cancels the Course/Programme or changes the dates within 2 weeks before the Course/Programme is to start, the Customer is obliged to pay 100% of the agreed Contract price.

3.2. If the Training Services consist of coaching individual persons and the Customer or the student designated by the Customer cancels or changes the date of a coaching session upon less than 4 business days notice before the coaching session is scheduled to start:

- (i) If the cancellation or change is made between 2 and 4 business days before the coaching starts, 50% of the agreed price will be charged; and

If the Customer partially cancels the coaching session, it is regarded as a change to the coaching Contract.

3.3. If Customer wishes to postpone or cancel the Training Services, Customer must notify MXNS Expert Partner België in writing. If MXNS Expert Partner België receives Customer's notice within 16 to 30 business days of the confirmed Service date, Customer will be charged a postponement/cancellation fee in an amount equal to 70% of the Service fee. In addition to the postponement/cancellation fee, MXNS Expert Partner België will charge Customer any travel expenses already incurred.

3.4. All cancellation or postponement fees and costs are due and payable from the time of the cancellation or change.

3.5. The actual damages likely to result from cancellation or postponement of scheduled Training Services are difficult to estimate on the date hereof and would be difficult for MXNS Expert Partner België to quantify insofar as cancellation or postponement may impact MXNS Expert Partner België's reputation or require MXNS Expert Partner België to provide non-monetary concessions to its suppliers and contractors. MXNS Expert Partner België commits that amounts specified above constitute a reasonable measure of damages given the nature of the losses that may result, and any such payments are not intended to serve as punishment for any such action by the Customer.

4.3. Course materials will be shipped to the Customer's facility 5-7 days prior to the course date. There will be an expedited shipping surcharge for Quotations signed less than two weeks prior to the course date.
